please print the Name of your designated Proxy*

at the Marsh Ridge Homeowners Association Annual Meeting on May 18, 2025.

Homeowner Signature: _____

Date: _____

A completed proxy form can be delivered to the Secretary in advance by emailing it to
MRHOA_Delano@marshridge.org - or it can be handed in by the proxy before the meeting is called to
order.

A proxy is by definition a named person, an agent, authorized by a unit owner to vote in their absence at an association meeting. This designated person is the proxy holder.

*A proxy form that does not show both the first and surname of the appointee is invalid and does not count towards the quorum total.

A proxy assignation is between an owner and a designated Party 2, but Party 2 has no authority to reassign that same proxy to a third party. The unit owner can, however, cross out a proxy name and write in a new name on the proxy form.
