

## IMPORTANT REMINDER

Board Members have received several questions regarding Marsh Ridge Rules for the use of clothes lines from decks and patios.

Marsh Ridge Rule II. Balconies and Ground Level Patios, Paragraph B. "The hanging of garments, rugs and the like from or on any patio, deck or balcony is not permitted."

We all know how tempting it is to hang our laundry out in the summer but please picture what Marsh Ridge would look like with laundry hanging from 65 homes.

Please be considerate of your neighbor. Also please do not leave any lawn Furniture, bikes, etc. on your lawn as it causes extra work for our lawn mowing crew when they have to get off their mower to move the items. If it continues to be an issue, extra charges may be incurred from the mowing crew.

Thanks.
